CONTINENTS

Australia is a continent and a country. It's a small continent, but it's a very big country, with interesting animals like koalas and kangaroos.

Europe is bigger than Australia. It has over 50 countries, including the U.K., Italy, and Spain.¹

South America has about fourteen countries, including Argentina, Peru, and Brazil.²

Antarctica is a very cold, windy continent. It is 100% covered in ice. No people live there.

North America is larger than South America. It has about 40 countries, including the U.S.A., Canada, and Mexico.³

Africa is a very big continent. There are over 50 countries in Africa, including Egypt, Kenya, and Ghana.⁴

Asia is bigger than Africa. It has about 50 countries, including China, Japan, India, and South Korea.⁵

3 Think! Write another country in the boxes for five of the continents.
